## Multiplication Facts (All Facts Drill - Day 1 - Assessment)

Directions: Set a timer for $\mathbf{4}$ minutes. Then complete each fact in order (no skipping). If you pause, stumble or ponder an answer, mark an " X " and move on. Before using the answer key, go back and make a guess for the ones that you put an " X " on.

$\qquad$

## Multiplication Facts (All Facts Drill - Day 1 - Assessment)

Answers: Check your work! You need to have missed fewer than 10 and finished this drill in under 4 minutes. Review the facts that you missed and figure out which table is giving you trouble. Use the table on the right to evaluate your abilities on each table.

| 28 | 40 | 64 | 36 | 24 | 72 |
| :--- | :--- | :--- | :--- | :--- | :--- |
| 36 | 28 | 54 | 27 | 16 | 16 |
| 24 | 56 | 16 | 36 | 20 | 24 |
| 18 | 56 | 27 | 64 | 28 | 18 |
| 48 | 48 | 24 | 28 | 42 | 32 |

| 8 |  |  |  |  |
| 9 |  |  |  |  |
| All |  |  |  |  |

Over the next 10 days, you will be expected to master a table. The first half of the drill strips will concentrate on the table, while the second half reviews all of the facts you are expected to know. Practice at Math6.org then finish off your day with the 4 minute paper challenge! Good Luck!
$\qquad$

## Multiplication Facts (The 2's Tables - Day 2)

Directions: Set a timer for $\mathbf{4}$ minutes. Then complete each fact in order (no skipping). If you pause, stumble or ponder an answer, mark an " X " and move on. Before using the answer key, go back and make a guess for the ones that you put an " X " on.

$\qquad$

## Multiplication Facts (The 2's Tables - Day 2)

Answers: Check your work! You need to have missed fewer than 10 and finished this drill in under 4 minutes. Review the facts that you missed and figure out which table is giving you trouble. Use the table on the right to evaluate your abilities on each table.

| 18 | 18 | 16 | 18 | 18 | 12 |

If you are still having problems a table, go back and study it! The minutes you put in over the next month or two will pay off in hours saved in $5^{\text {th }}-8^{\text {th }}$ grade math classes! Practice at Math6.org then finish off your day with the 4 minute paper challenge!

Freely reproducible for "non-profit" educational purposes - visit http://www.math6.org/legal.htm for more details concerning "non-profit".
$\qquad$

## Multiplication Facts Drill (Day 11)

Directions: Set a timer for $\mathbf{4}$ minutes. Then complete each fact in order (no skipping). If you pause, stumble or ponder an answer, mark an " X " and move on. Before using the answer key, go back and make a guess for the ones that you put an " X " on.
