

# The Fraction Actions Method!

The skills are listed in the order that you should master them. Follow the directions on the website and the note. Keep track of your progress by recording your evaluation in the appropriate box. Some skills will take longer than others to master. Relax and work it, you'll be strong and fast very soon!

For keeping records - record the number of perfect tries out of the total number of tries.

Skill	Lesson	Guided Practice	Day 1	Day 2	Day 3	Day 4	Day 5	Master?
<b>Example</b>		✓	3/5	4/5	5/5			✓
